Re: Children's Television Act of 1990 -- ABC-TV Network  
Commercial Information -- Third Quarter 1998

Certification

Enclosed is a Certification by the network that all children's programs scheduled for broadcast during the third quarter of 1998 are formatted to comply with the commercial limits of the Children's Television Act of 1990. The Certification, which must be placed in your public file no later than ten days after the end of the third calendar quarter, lists each children's program, the amount of time normally allotted for network commercial matter, and opportunities for local commercial matter in and/or adjacent to the program.

The Certification reflects broadcast of network programming in live clearance periods. As we have previously advised you, it is important that these programs be broadcast at the times and in the order described on the Certification network schedule so that the commercial limits are not inadvertently exceeded. If your station exceeds the limits, you must include a detailed explanation of the overage in your public file.

Any changes in the number of commercial minutes per program hour will be sent to you over the A-Net when they occur.

Quarterly Confirmation

In addition, at the end of the quarter, the network will provide you with a Quarterly Confirmation that the number of minutes allotted for network and local commercial matter did not exceed those set forth in the Children's Television Act, and describing any increase in the commercial limits in the formats in the Certification. Decreases in the number of commercial minutes will not necessarily be noted in the Confirmation. We will also send you information regarding any additional children's programs aired during the third quarter. The Quarterly Confirmation should be placed in your public file with the Certification.

The Certification and the Quarterly Confirmation are designed to furnish you the information concerning commercial matter in network children's programs to enable you to meet the record keeping and public file requirements of the Children's Television Act.
